u/3

Serial No. 10/643,219

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

Claims 1-6 (canceled)

Claim 7 (currently amended) A steering wheel comprising:
a hub,
a steering wheel rim,
at least one spoke connecting said hub and said steering wheel rim, at least one of said steering wheel rim and said spoke having a skeleton and a sheathing surrounding said skeleton, said sheathing ~~consisting of~~comprising two shell parts fitted together, each shell part not being closed in a circumferential direction, seen in a radial sectional view of said steering wheel rim, and said shell parts adjoining each other in said circumferential direction to surround said skeleton in said circumferential direction, ~~which together surround said skeleton, said skeleton having a recess,~~
and at least one decorative element having a fastening element which projects into said recess.

Claims 8-9 (canceled)

Claim 10 (new) A steering wheel comprising:

a hub,

Serial No. 10/643,219

a steering wheel rim,

at least one spoke connecting said hub and said steering wheel rim, at least one of said steering wheel rim and said spoke having a skeleton and a sheathing surrounding said skeleton, said skeleton having a recess constructed as a through-hole extending through said skeleton,

and at least one decorative element having a fastening element which projects into said recess, said fastening element engaging with a rearward edge of said recess.
